June 2018

June Meeting — **Tuesday, June 5, 2018**
Normandy Park Cove

12 Noon — Annual Potluck Lunch & Art Supplies Garage Sale

Are you wondering what to do with all those extra paints you couldn't resist buying on sale? What about the leftover frames when you decided to switch to frameless wrapped canvas? Well here's your chance to pass along these extras to someone else — as the saying goes, "one person's trash is another person's treasure"! So bring your extra treasures to give away, trade, or sell at **GARAGE SALE PRICES. Only art supplies please**—you'll have to find another way to get rid of Aunt Betty's old teapot!!

And don't forget to bring a lunch dish to share with friends. All kinds of cold salads and desserts are members' favorites. What a great way to end our year, having a party!

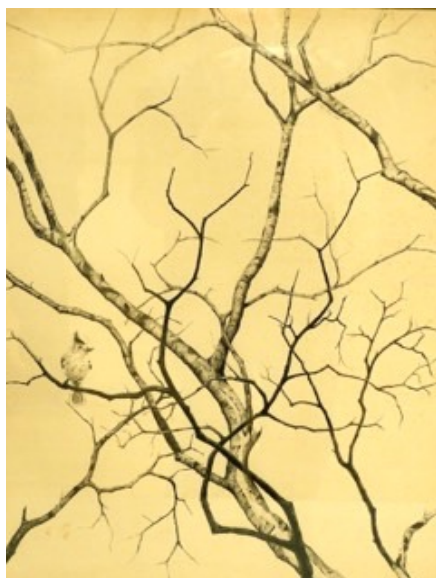

President's Message

Greetings! I can hardly believe another year has passed by already! I hope that you have enjoyed it as much as I have. I want to take this chance to thank all of you for your help and support this year. Being your president has been a great honor, and a lot of fun! I know that next year will continue to bring us growth and inspiration as artists, and fun times together as friends. Enjoy your summer, join me in July and August for our "paint outs", and keep on creating!!!

Blessings.....Shannan

May Program Notes

Gabriel Campanario, the Seattle Times' Urban Sketcher, gave an inspiring and informative presentation. He started his career in journalism and quickly decided to combine his love of art and writing, and is now known for his engaging illustrations. He never leaves home without a small sketchbook, pocket watercolor kit, pen, pencil, and water-brush. All of his works contain three dimensions of composition with one of those dimensions dominant. He often does quick line sketches on location and fills in with color at a later time. He also does some of his work on an iPad.

Gabriel teaches locally, and has published several books--The Art of Urban Sketching, Urban Sketching; 100 Postcards, People and Motion, and Architecture and Cityscapes. He has co-written another book which comes complete with prompts and paper. Visit him at: facebook.com/seattlesketcher

If you are interested in a sketching workshop, please contact program chair Debra Valpey.

☼ Please contact Debra Valpey, debravalpey@comcast.net, about topics, skills, and artists that you would like to see in our monthly program presentations next year. Debra wants to ensure that programs for next year address YOUR interests.
